THE RACE THAT STOPS A NATION

Taking place on the first Tuesday of November at Flemington Racecourse, the Melbourne Cup is the highlight of the Australian racing calendar, billed as "the race that stops the nation". With prize money of AUD\$6.2 million, it is the world's richest – and most exciting – two-mile handicap. In addition to Australia's most famous thoroughbred race, there are nine other races on Emirates Melbourne Cup Day, making it a world-class event not to be missed by racing fans.

Apart from the raceday, Members will also be able to add to their knowledge of the racing industry with visits to Swettenham Stud, breeders of tomorrow's racetrack stars, and Living Legends, the home of former champion horses.
