

Conghua Racecourse Tour 2024

17 – 18 October 2024

The Club operates a dual-site model, with horses being stabled and trained at Sha Tin Racecourse in Hong Kong and Conghua Racecourse in the Conghua district of Guangzhou. Opened in 2018, Conghua is the first world-class racecourse and thoroughbred training centre in the Mainland.

Spread across 150 hectares, Conghua Racecourse can house more than 660 active, in-training horses at its current stable capacity. They are assigned to reside in Conghua by their trainers and travel between Sha Tin and Conghua in specially-designed floats. From the 2025/26 season the Club will host regular race meetings at Conghua Racecourse. The Club is now building a grandstand with a capacity of approximately 8,000 spectators and also expanding stabling and training facilities there.

In this tour, you will have a chance to visit the facilities at Conghua Racecourse, featuring the Racing Talent Training Centre, equine pool, uphill gallop & 2000m start, equine hospital, rehabilitation centre, retired horse unit as well as witness the morning track work. On top, you can enjoy the hot springs at your hotel and delicious cuisine in Guangzhou.
